WWW.VILLA-FOHRDE.DE

Content

You

- get profound insights in climate change, climate justice & how to address it through education for sustainable development
- learn based on the whole institution approach in two sustainable seminar houses in Brandenburg (D) and Riscova (MD)
- get to know initiatives from rural areas working on CSA, social entrepreneurship, the future of villages and more
- practice innovative methods such as casual learning, simulation games and bar camps
- broaden your professional network with contacts to multipliers from Poland, Moldova & Germany

JOIN US

- **Training Climate Crises & Justice: 15.-22.5.22, Villa Fohrde (D)**
- **Training Economy & Villages: 5.-11.9.22, Riscova (MD)**
